About This Game

Have you ever wondered what happens to your parcel on the way to it's destination? Let's imagine this in our **Boxes Inc.** game.

You are a parcel inspection service employee. Your duty is to inspect and sort incoming parcels. You'll be inspecting parcels and envelopes by using a "Rule Book" and other tools such as: scanner, scales, etc.

- It's not just joyfully, but also useful!
- It affects your intellect, memory and concentration.
- Develops precision and responsibility.

toR Studio
Release Date: 7 May, 2018

a09c17d780

English,German,Simplified Chinese,Portuguese,Russian

Man, that's heavy.

It is a very nice game, it may be appear calm to your eyes, but it's NOT.

Nicely done at any particular and things to do are really mental sometimes, but the game remains funny.

Cool graphics also.
